Weequahic High School

279 Chancellor Avenue

Newark, NJ 07112

volume 72

During our last year at Weequahic High School these three amazing women helped us reach our goals for graduation. These fascinating women compassionately and earnestly helped us prepare for the next level of our lives. Ms. Rose, Ms. White, and Ms. Riley.

Ms. Rose is the ship that guides students along the rising and falling tide. Her job was to assist in college applications, vocational school, work force placement, and financial aid.

Ms. White is the anchor that gives a feeling of stability to us with counseling and medical assistance while performing other roles in the area of social services. She has also provided a safe haven for those in need of shelter, she served as a confidant, and monitored community service projects.

Ms. Riley is our captain and she gave us direction. In order to meet our senior responsibilities with very little financial burden, she helped us work collectively, cohesively, and expeditiously.

The Class Of 2006 thanks each of you for all the things you have done for us. We appreciate everything, from your patience to your humbleness. You will always be in our hearts.

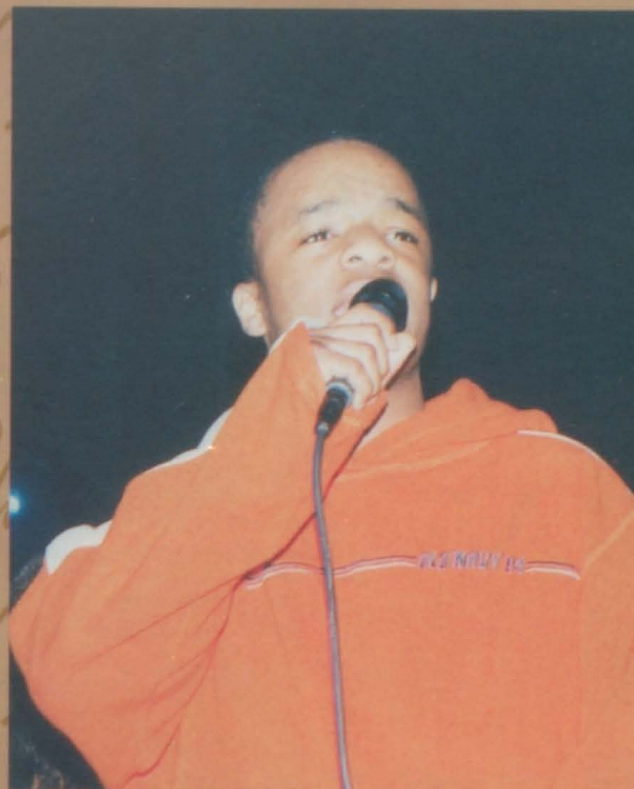

Yo dude I told ya

I'm more than a Beast kid I'm what they call an Ogre
An inspiration on the streets when I speak like Hova
I rest the weight of "DP" on my shoulders, but sometimes
the weight is about as great as a bolder
But I've got to shake it off like Mariah Carey
Starting to understand to you fans, I'm married
I understand I'm like an icon, the Roc to you dudes
I'm hot to you dudes
About the closest thing to Pac in this school
And I ain't have to do a lot to be cool.
But spit about an education to be popular dudes
I got money and plaques under my belt too.
But those are all material, I'm really humble with my
self dude

If you claim to be the best as a rapper, I'll be the last to
Go head and ask Baraka, The chosen one will get you
My lines like a glass of Vodka, I strive for Weequahic
to succeed like a mad professor

Stay out of room 101 and try to pass HSPA
Lord knows we gotta shine "Indians" I'm not lyin!
Without that diploma in your hands you'll be on the
block longer than a stop sign

Gangs about as hard as the pillow you sleep on
It's gangsta to ace in a class and on a field with Cleets on
Ya'll go ahead Bang C's and B's and throw up signs
But when I get my D's for degree I'ma through up mine!
I'll go ahead and rap it up but not before I say one more
thing Until I graduate I'm striving for one more ring
And I ain't ever been a afraid to be outspoken
Weequahic's in head of a leader I could be our token
I could tell you why a lot of dudes die quickly
They want to get rich or die trying like thier names is 50
Dudes getting so much brain they could graduate college.
Well put in on a open ended question on the SAT,
And if dudes ask who gave you the courage when your
famous, then you best say me
Yeah I could do this all night, I've got more Faith in
you than Biggie Small's wife.

Weequahic's standard of success has increased dramatically, with its new AP English course. AP stands for Advance Placement. It is for those students who excel in English. Taking the AP course has given Weequahic students the ----- opportunity to get a glimpse of what college courses are like.

The requirements for reading and writing have increased the level of the students' understanding, which would be needed for a successful college experience.

As a student, I am honored to have been a part of this course. As a result of this experience, I am hoping that there will be more AP courses available to students in the coming years.

Augustina Frederick

Advance Placement Course

Taking an AP class has been a remarkably challenging experience, that will help me confront the most difficult times in my adult life. One of my goals was to succeed academically which is an accomplishment rooted in sincere effort. For seven years I have worked toward mastery of various subjects. I have continued to apply the skills I have learned from my ESL classes. I now feel that I am capable of succeeding despite the obstacles that have crossed my path.

Hardwork, confidence, and being a part of a class that respects your ideas and opinions is a rewarding experience, especially with many of us coming from different cultural and ethnic backgrounds. With this I am honored to have been a part of this course.

Clubs of 2006

These are the clubs that were designed for and by the students. These clubs help keep students on top of their game through all the challenges. Weequahic students had to overcome many obstacles for the year of 2006, and around each corner a club or activity waited with help and open arms. These clubs and their members are a large part of what made us the graduating class of "06".

Hardworking Seniors

Letter to Class 2006

What does one say to a wonderful group of young adults who allow you the opportunity to share in their lives as they travel from here, Weequahic High School, towards their purpose? I believe you simply say thank you.

I thank the members of the Class of 2006 for your patience, diligence and commitment to our two-fold goal to graduate and to enjoy this most precious time in your life. I believe in each one of you. I believe that each of you can accomplish anything you set out to do. I know you possess many talents and have the wisdom to use them well. I believe that you have what it takes to overcome obstacles placed upon you by others or yourself and to grow from every good and bad experience life brings your way. I am impressed with your courage, your compassion, your integrity and your strength.

I know that you will find your "purpose", that for which only you are destined. In all the universe, from time past and future to come, there is only one you. I implore you to travel your road with full "Indian Pride". I applaud you. I am humbled by you.

Be Blessed,
Advisor Isadell Riley

To My Fellow Classmates:

Our time together has been an unforgettable experience through code *oranges*, food fights, and pep rallies. I have enjoyed every moment. As a freshman I found myself and realized how much *Indian Pride* I really had. The *orange* and *brown* that now flows through my blood will never die. As long as I live, I will be an *Indian*.

To be an *Indian* takes *Pride*, courage, love and kindness. Even though we had our ups and downs, when it all fell through we became one. The **Class Of 2006** has overcome many obstacles and I am happy to be the president.

Truly Honored

A celebration--

A time for looking back on lessons learned, adventures shared, bright moments filled with special meaning.

A farewell--

A time for saying goodbye to old friends, to good times you've known a time for packing away memories, treasures for tomorrow.

A beginning--

A time for looking forward, a time to set new goals, to dream new dreams, to try your wings and see what lies beyond.

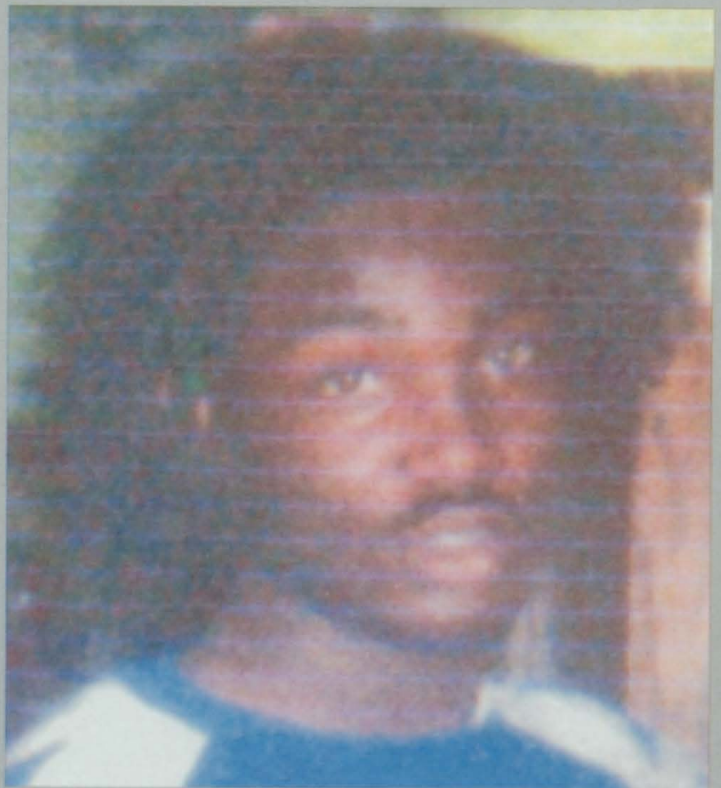

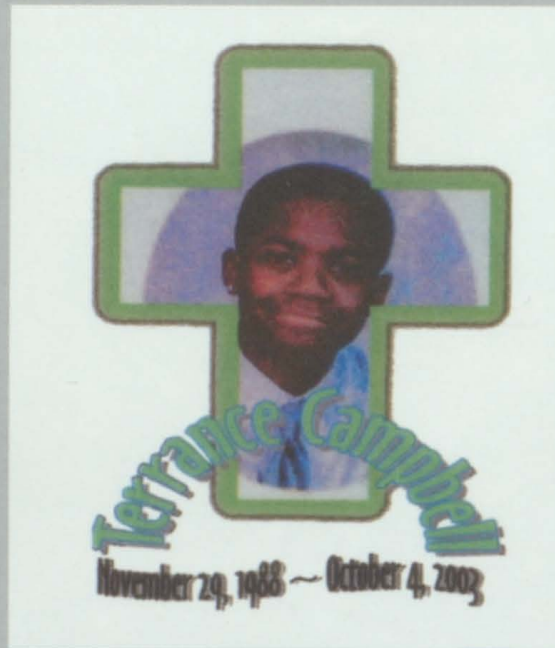

WE MISS YOU

Looking for what to say
Never knowing in any way
Time passes day after day
And we still miss you

Empty thoughts fill our head
A heavy heart, full of love
And we still miss you

You know what you are to us
Look past it all and see
Our love that makes you free

Its love that makes you who you are
And no matter how near or far
We have time to look up at the stars
To let you know we miss you.

C lass of 2007

As you move towards your senior year it is our hope that you realize and know, that tomorrow is bright before you. It is your choice to choose the correct path that will lead you onto the road you are destined to travel. Continue to upright the Indian Pride that is instilled in each of you. Looking forward to a successful senior year.

To facilitate a smooth transition for the freshmen, Weequahic has adopted a statewide program known as the Transition Project. This project, established by the Princeton Center for Leadership Training, "helps incoming freshmen make a successful adjustment into high school" while simultaneously developing "peer leadership skills among upperclassmen." The Transition Project deals mainly with the social challenges that are associated with moving into a new phase of life. In small groups they participate in activities dealing with: Stress Management, Communication and Making Connections. Our goal is that our students will avoid major setbacks that many students encounter when starting high school.

Success Academy

Our Principal: Ronald Stone

First I would like to congratulate the Class of 2006. You earned the right to be here.

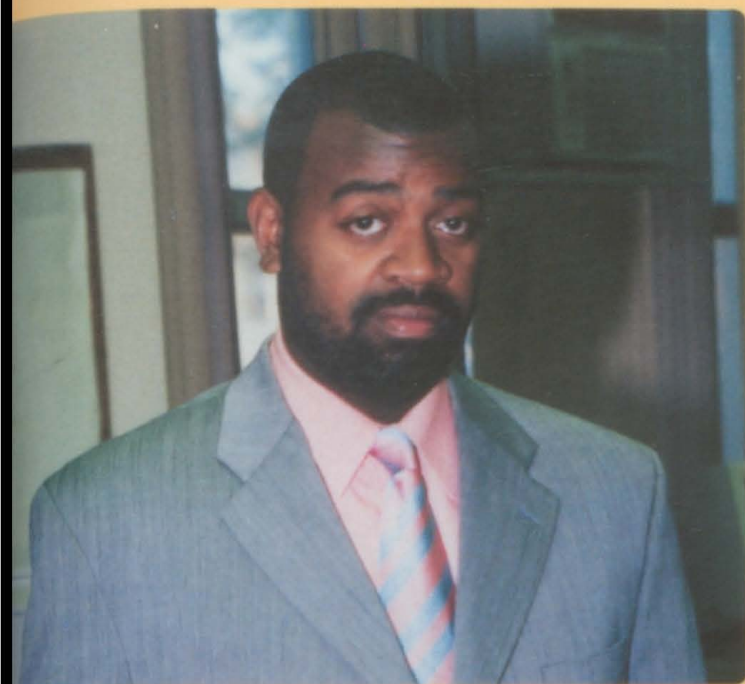

On July 29, 1998 in his address to the National Education Forum, former president Bill Clinton said "If you understand how the world is going to work tomorrow and you have any concern about the integrity and richness of the human spirit in every child, then all of us must join hands to help give all those children the tomorrows they deserve".

Although you have yet to reach the pinnacle of your life's ambitions, we must consider the world in which we live and understand the importance of helping students learn much more than the subjects they study. Appropriate environment, and activities, can also help students learn responsibility, compassion, integrity, civility, leadership, and cooperation. These and other elements of a healthy well developed character can be learned by example and the opportunity to exercise them. I trust that the teachers, administrators, and friends you have made at Weequahic have provided the examples that let you know we are all in this together.

In closing, I encourage you to heed the wisdom of Woodrow Wilson, 28th President of the United States, who said: "You are not here merely to make a living. You are here in order to enable the world to live more amply, with greater vision, with a finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself, if you forget the errand." *Ronald G. Stone*

IP Forever

VP- Ras Baraka

Class of 2006! We began together, and it has been a pleasure watching you grow and develop. It is important to understand that another name for graduation is commencement. Commencement means beginning. Now it is the beginning of your life, put your hand prints all over the world. Your vantage point of view is remarkable, nothing short of a miracle. To grow and surpass the obstacles that you have, to succeed in the face of violence, poverty, despair and low expectations, to watch your friends disappear and to continue to smile, to prosper, to hold your head up, to win is a testament to your character and your ability to lead. Never dismiss the idea that the world is a better place with you in it, and will be a better place when you work to change it.

NOW TAKE YOUR PLACE AMONGST THE GREAT ONES.
WALK ON CLASS OF 2006 WALK ON!

VP-Gloria Pinckney

BEST WISHES TO THE
CLASS OF "2006" FOR
SUCCESS, JOY AND
HAPPINESS IN THE
FUTURE. REMEMBER
WEEQUAHIC FONDLY.

VP- Elizabeth Haden

Seniors,
I leave with you three simple words and the hope that you carry the meaning and power of their significance to your lives.

Live- to your fullest potential and fulfill your every ambition and constructive goals.

Merit- earn your achievements on your own laurels and don't depend on others to get by.

Work- to deserve everything you accomplish.

Class of 2006 - Live well and prosper!

I'M FREE

Don't grieve for me for now I'm free

I'm following the path God laid for me

I took His hand when I heard His call

I turned my back and left it all

I could not stay another day

To laugh, to love, to work play

Tasks left undone, must stay that way

I found that peace at the close of day

If my porting has a void

Then fill it with remembered joy

A friendship shared, a laugh, a kiss

Oh, yes these things, I too will miss

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow

My life's been full, I've savored

A loved one's touch

Perhaps my time seemed all too brief

Don't lengthen it now with undue grief

Lift up your hearts and share with me

God wanted me now, He set me free.

Twilight Program

Over the past six years Weequahic High School's Twilight Program has always risen to the toughest occasions. Students who were not able to see their own potential have found a place where they have freedom to find a future path that they can enjoy, and the discipline and instruction that leads there. Students have been shown a positive structure where they can become more comfortable with themselves as students, but more importantly as young adults. Through discipline, instruction, order, self control, and consistency on the sides of the staff and students, the Twilight Program has become a great success. Thanks to the staff showing this unconditional love, by dedicating their time and hard work, students were able to show this appreciation by also working hard and making grades as well as lifestyles. For students in the twilight program the goal is to graduate and more importantly become successful in the business world as well as the society. For staff of the program the goal is to give the students the required tools to guide them in those directions. The twilight program is a program that has focused on helping students to realize and maximize the potential that each one of them have.

Weequahic's Football Team and Coaching Staff. The Indians have taught us to always have patience because change will come. Our football team has faced a lot of obstacles over the years. Good luck in upcoming seasons.
Class of 2006.

Football

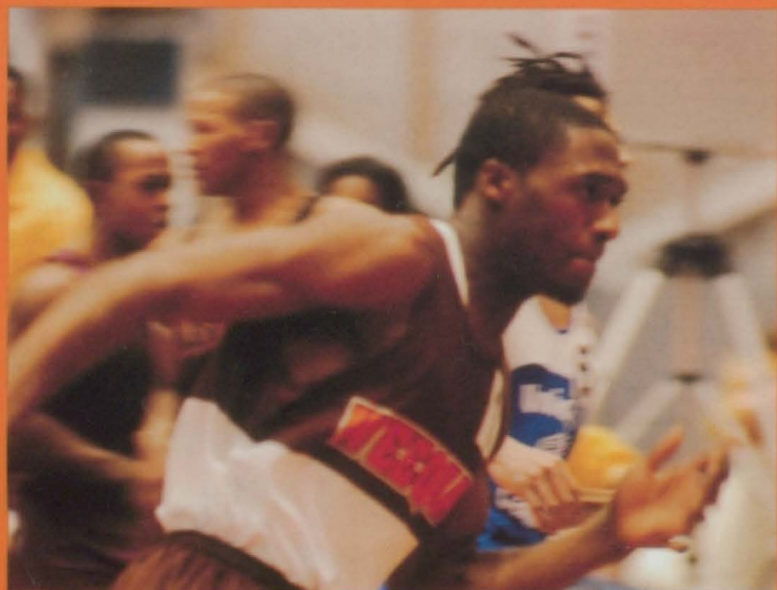

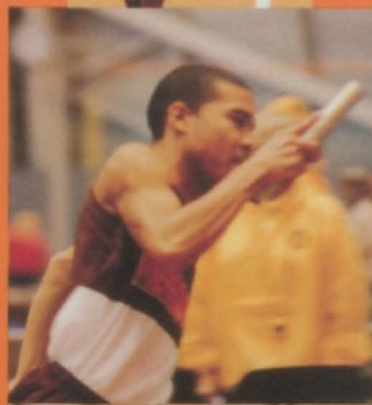

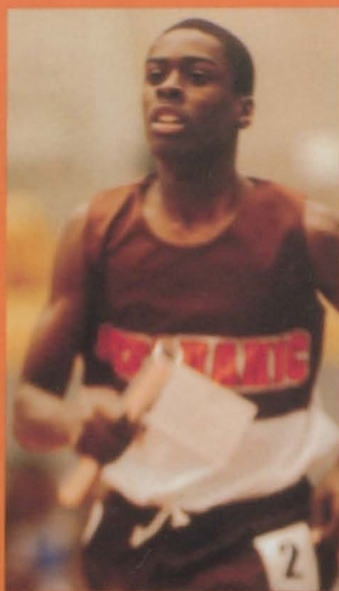

Weequahic's football team shows the definition of team work. They also demonstrate love and care for one another on or off of the field. When people think about football they think that it's all about tackling, but with a great coaching staff our team has also shown us that wining is not everything. Last but not least, the football team has taught us how to love one another no matter what the situation may be.

Track Team

Weequahic dominates the indoor season astouding track and field athletes exhibiting the wonderful talent taught.

Cinderella Story

We would like to congratulate the Weequahic High School Girls Basketball Team for an historical season. We set out to improve on last year's mark. Under the leadership of Coach Amiri Baraka Jr., and the addition of two new assistant coaches Anthony Timmons, and Abdul' Aziz to the coaching staff. The team went on the attack in the new basketball season. The results were the first road victory in 11 years; a ranking in the County standings as high as number nine, first Essex County Basketball Tournament game victory since 1988, the number three girls program in the city of Newark ranked only behind Shabazz High School and University High School, and this accomplishment was also recognized by the Newark Star-Ledger.

Senior Gaurd Tu Tu Girl Wilmote, as she dribbles to victory.

Freshmen Shooting Gaurd Raven Snith, using her offensive tactics to get free.

Raven shoots the three to lead Weequahic to a victory over West Essex High School.

Junior Varsity

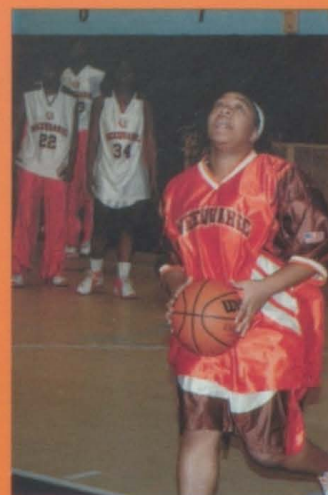

We would like to congratulate to the Weequahic High School junior varsity basketball team, for having a good season and keeping positive attitudes on and off the court. Keep up the good work for next season.

Keon Lawrence is the first Newark player to score 2000 pts.

He is the 67th player in New Jersey's history to score 2000 points and the 3rd in Essex Coounty behind Kelly Tripucka and Eric Williams. Keon was nominated to the McDonald's All American High School Basketball Team and he will continue his basketball career at Missouri Universiy in the fall.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

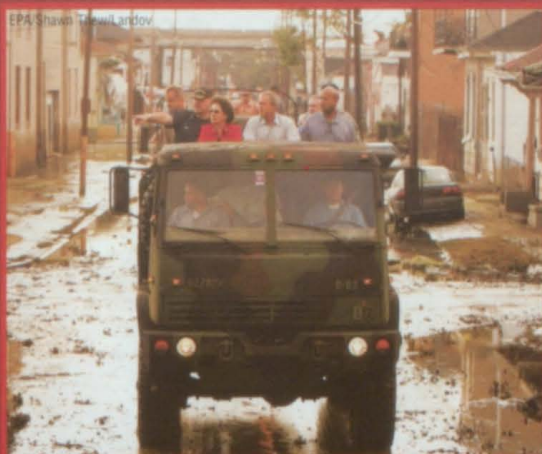

September

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
